New & Exciting

1

Achievements

- Highest SPS in North LA (“A” Rated School)
- \$58 million + offered in scholarships, NOT including TOPS Awards
- More National Merit Finalists than other North LA schools combined

2

New Classes

- African American Studies
- AP Macroeconomics
- Computer Science Essentials
- Cybersecurity
- Intro to Programming
- Medical Interventions
- PE Dance
- Women’s Studies

3

Expanded AP Program

- Additional sections of many AP classes to broaden opportunities for more students to have access to college level resources.

Benefits of AP (Advanced Placement)

Advanced Placement (AP) is a designation for courses that are taught in a high school at a college level. Colleges set their own policies on awarding college credit for an AP exam score.

2021 AP Exam Pass Rate

73%

486 students took 1078 exams

787 exams with a score of 3+

79% of AP students scored 3 or higher (386 out of 486)
